

Get ready to buy your tickets early for the largest fundraiser for the Curtis Crusaders! With the support of our Curtis families, relatives, and friends we have been able to enhance and improve our school, faculty, infrastructure, and student body through numerous ways. To name a few: upgraded state of the art technology, professional staff development, improved science labs, computer labs and curriculum. We are also in the process of replacing windows and improving the Middle School and High School outside activity area for our students. The proceeds raised, will continue to infuse a Biblical worldview in all areas of academics, fine arts, and athletics as well as to develop bold and devoted followers of Christ.

Each year every class donates a class project/item to the auction. Please share with your child's teacher any ideas you have to help make their Auction item awesome. We have the best, hardworking, dedicated teachers that take care of our children each and every day, so please help support them with this task. Also, if you, your friend, or relative have a talent, time, or resource they can donate to the auction, please contact:
